A little more than a year ago he was made superintendent of equipment, which place he occupied when promoted today.

## BIG EVENT MARKS "DAD'S" 87TH YEAR

Birthday Celebration At Dickinson Home Sequel to Christening Party of Baldwin Drane.

As a fitting sequel to a christening party given several months ago, more than a hundred persons gathered at the John Dickinson Home last night to celebrate the eighty-seventh birthday of Baldwin D. Drane, who is known throughout the neighborhood as "Dad."

For besides having friends of his own age in the Oldest Inhabitants Association, he is the idol of the children.

"You see, he was afraid that he wouldn't get another opportunity to celebrate a birthday," explained Miss Heaton, the superintendent, "so he surprised us a short time ago by celebrating his christening."

Mr. Drane was born in 1828 in Draneville, Fairfax county, Va. He has been a member of the Oldest Inhabitants Association for many years, and received a bouquet of eighty-seven roses from that Association as a gift. After the little guests had been quieted down and had been persuaded that they must not hunt for candy in the pockets of "Dad," right in the midst of the party, a short program was given by the older members.

## TO PUT ON FLESH AND INCREASE WEIGHT

GOOD ADVICE FOR THIN PEOPLE

"I'd certainly give most anything to be able to gain weight and stay that way," declare many thin men and women. Such a result is usually not impossible despite past failures. Most thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood much of the fat and flesh-producing elements stay in the intestine until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat the flesh-making food elements must be absorbed in the digestive processes. This is what will build and distribute them throughout the body. There is a preparation called Sargol, which works on this basis and which is sold by nearly every druggist on a positive guaran-
